**MOTION TO REMAND ACTION TO MASSACHUSETTS SUPERIOR COURT**

Plaintiff moves that this Court remand this action to Norfolk Superior Court with respect to one of the Defendants, Barletta Engineering Corporation.

In filing this motion, Plaintiff recognizes that a Stipulation has been accepted by two of the parties, the Plaintiff and Defendant International Union of Operating Engineers, Local 4, in regards to a dismissal of the complaint against Defendant International Union of Operating Engineers. With regard to Defendant Barletta Engineering Corporation a remand to Massachusetts Superior Court is necessary because of lack of proper subject matter jurisdiction for Defendant Barletta Engineering Corporation in United States District Court.

This action was formerly docketed as Norfolk County Superior Court  
Civil Action No. NOCV2004-01337-A.

For the Plaintiff,

Attorney Brian T. Hatch
